We have gained a great experience through the years and now we are one of the main producers of tableware in Poland and Europe, with designs known and esteemed all over the world.

Our products are made of porcelain (mixture of high quality raw materials Kaolin, Quartz and Feldspar).

High production standards make our porcelain suitable for food according to EU law.

FABRYKI
PORCELANY
„Ćmielów”
i „Chodzież” S.A.

We offer dinner, tea, coffee sets as well as open stock items in very wide selection. Composition of set is limited only by the creativity of the customer.

Our range offer covers both classic and modern shapes, we also do not avoid vanguard designs.

We offer porcelain in variety of decorations, from very classic up to extremely vivid and modern ones.

Our production includes dishwashers and microwave ovens safe inglazed decorations fired in the temperature of about 1200 Celsius degrees.

Certainly everyone finds something interesting for themselves. Some basic decorations are shown on our website www.porcelana.com.pl
Every year we show new ones during Ambiente Fair in Frankfurt.

The brand porcelain has lost nothing of its exceptionality, still proving good taste and devotion to harmony, beauty, positive emotions. The porcelain from Ćmielów and Chodzież is a brand of good time, faithfulness to traditions and dreams which came true...
